

# Ely & Caerau Children's Centre School Improvement Plan 2023-2024

## Priority 1

To develop assessment systems and practices across the centre to support children's progress.

## Priority 2

To develop and refine our curriculum ensuring our pedagogical approach across the centre reflects recent professional research and training.

## Priority 3

To further develop our community links to offer a variety of inclusive groups and a support network for our local area.

## Priority 4

To develop leadership at all levels across the Centre and insure services are integrated to meet the needs of children and families
